

2025–2026

Data Collection & Certification Due Dates

Data and Certification forms are available online starting October 3. All MyAVID entry systems open October 3.

Site Data

Elementary and Secondary
Site Data Collection

October 3 – February 6: Site enters data online; forms should be submitted to the District Director (DD) no later than end of day on February 6.

May 1: DD reviews and submits online forms to AVID Center no later than end of day on May 1.

June: AVID Center verifies and approves site data collection forms.

Certification

Elementary and Secondary
Implementation Instruments

October 3 – May 22: Site completes the implementation instrument online early in the school year and revisits periodically to help guide the continuous improvement of AVID growth prior to submission. The online entry system allows sites to submit the implementation instrument to their District Director (DD) beginning March 23 through May 22.

May 22 – June 5: The DD submits the implementation instrument online to AVID Center no later than end of day on June 5.

September: AVID Center verifies the implementation instrument and approves certification status.

Senior Data

AVID Senior
Student-Level Data

October 3: AVID Elective teacher or AVID Site Coordinator creates MyAVID accounts for seniors and distributes senior data collection forms.

October 2 – May 29: Seniors enter data online and submit to their AVID Elective teacher. Online forms may not be submitted to AVID Center prior to **January 16**.

May 29 is the deadline for seniors to submit online forms to their AVID Elective teacher for review.

May 29 – June 12: AVID Elective teacher or AVID Site Coordinator reviews and submits online forms to AVID Center for approval no later than end of day on June 12.

July: AVID Center verifies and approves senior data collection forms.
