

# Join Us to See AVID in Action!

Attend a free virtual AVID SHOWCASE to experience the AVID College and Career Readiness Framework

## Does All Mean All at Your School or District?

A strong AVID system transforms the Instruction, Systems, Leadership, and Culture of a school, ensuring college readiness for **all students**.

We invite superintendents, district leadership, principals, and teacher leaders to see how schools across the nation are implementing AVID to:

-  Ensuring student success by incorporating WICOR® strategies throughout content areas and supporting increased rigor through vertical and horizontal articulation.
-  Providing ongoing professional learning for staff through training opportunities and site-based coaching.
-  Developing an AVID Site Team that ensures systemic support for implementation.

## What Can You Expect from Your School Visit?

- Gain insight from a Q & A session with AVID educators and a student panel immediately following the Showcase.
- Observe AVID strategies virtually across grade levels in AVID classrooms.
- See how WICOR strategies impact instruction across content areas at the middle and elementary school levels. Discover how the AVID Elective is pivotal in closing the opportunity gap.
